HEART CHARM MEANING

Curve Heart · Two-tone

A mirror-polished silver heart crossed by one sweeping gold line. The heart is the simplest symbol of love, a shape you can draw in one stroke, and this charm keeps it pure and uncluttered.

For love said without decoration

IHSMC060

HEART CHARM MEANING

Heart Cluster · Two-tone

Six small domed gold hearts held inside one silver heart. A symbol repeated says these particular people, so this piece represents family, togetherness and the household held within one shared love.

For her, from the whole household

IHSMC061

HEART CHARM MEANING

Drip Heart · Two-tone

A domed heart with silver melting down over gold. 'My heart melted' is an old expression of tenderness, and here cool composure gives way to warmth underneath, a symbol of feelings openly shown.

For someone who wears her heart openly

IHSMC062

HEART CHARM MEANING

Textured Heart · Two-tone

A softly irregular heart with an organic silver face and a gold edge. Handmade folk hearts were often lopsided and read as more sincere for it, so this one celebrates honest, imperfect, genuine love.

For someone who dislikes matching sets

HEART CHARM MEANING

Outline Heart · Gold

An open heart drawn in a single molten band, with five crystals and a small drip. In jewellery tradition an open heart suggests a heart still open, unfinished and available, ready for what comes next.

For a beginning rather than an anniversary

HEART CHARM MEANING

Hollow Heart · Two-tone

Concentric silver ridges around a beaded gold rim and an open centre. An open-centred heart has carried two meanings: a lover's token missing its other half, or remembrance of someone gone. The wearer decides which.

For her to give her own meaning

HEART CHARM MEANING

Starburst Heart · Two-tone

A round heart framed in gold beads, with a twelve-rayed starburst at its centre. The radiating burst is one of the oldest ways of drawing light; inside a heart, it captures the moment love arrives.

For someone who lights up the room

HEART CHARM MEANING

Gem Heart · Gold

A small gold heart almost entirely given over to one heart-cut crystal. The heart cut has long been a deliberate, romantic choice, saying that the shape matters most: a clear, simple symbol of love.

For someone who loves simplicity

EVIL EYE CHARM MEANING

Sacred Heart Evil Eye

A heart wrapped in flames is old shorthand for love that will not be kept quiet, echoing the Mexican milagro. Setting an evil eye at its centre adds a newer idea: love that also watches over you.

For her who feels things at full volume

IHSMC094

KEY CHARM MEANING

Everyday Key · Gold

A key means the same thing almost everywhere: access, and the trust that comes with being given it. Shaped like the one on your own keyring, this gold key honours a door that truly mattered.

For her given a key that mattered

KEY CHARM MEANING

Everyday Key · Silver

Handing someone a key is one of the simplest ways to say 'you belong here'. This plain silver key, cut just like a real one, is a symbol of trust, a first home or a door opened for good.

For a first home or new beginning

KEY CHARM MEANING

Vintage Key

On an ornamental key the bow was where the craft went – here a quatrefoil with a fluted rosette. Worn as jewellery it keeps its old promise of opening something, a symbol of secrets and possibilities.

For her who loves things with a history

KEY CHARM MEANING

Roman Numeral Key

With clock numerals around its bow and four black stones between them, this long key joins two symbols – time and access. It is a token for a moment worth unlocking again and keeping close.

For her marking something she wants to keep

HEART KEY CHARM MEANING

Heart Key

The key and heart were paired long before Valentine's cards – seventeenth-century lovers swapped lock-and-key tokens, giving the key away. With a heart at each end, this slim charm says someone holds the key to yours.

For her who already has it

HEART KEY CHARM MEANING

Mini Crystal Heart Key

A tiny symbol is closer to a note left for yourself, read only by those who come close. This crystal heart-headed key, no bigger than a grain of rice, keeps the meaning of an open heart.

For her who wants it read only up close

KEY CHARM MEANING

Mini Green Gem Key

A charm bracelet grows meaning one small piece at a time. This little key, with green stones down its shaft, says everything a large key says – opportunity, access, trust – while taking almost no room.

For her who is still adding to hers

HEART KEY CHARM MEANING

Winged Heart Key

A key alone is about entry; add wings and it becomes about freedom. Winged objects have carried that reading since antiquity. With an open heart and spread feathers, this key is a symbol of choosing your own way.

For her who is choosing her own door

KEY CHARM MEANING

Endless Knot Key

A knot with no beginning is one of the oldest signs of continuity – Celtic interlace, the Buddhist endless knot. Set in the head of a key, it promises something that keeps coming back round, year after year.

For her who keeps her people for years

IHSMC103

PADLOCK CHARM MEANING

Classic Padlock

The lock means two things at once – shut out, or kept safe. Worn small on the wrist it usually stands for what someone protects. With rivets and a keyhole cut clean through, this padlock guards what matters.

For her who guards what matters

HEART PADLOCK CHARM MEANING

Heart Padlock

Lovers' padlocks and betrothal locks have always said the same thing: this one is spoken for, and the keeping is deliberate. A raised heart on each face makes this solid little lock a symbol of committed love.

For her who has decided what is hers

IHSMC105

HEART PADLOCK CHARM MEANING

Pavé Heart Padlock

Fixing a lock and letting the key go is a modern love ritual with an old idea behind it: close something on purpose so it stops being in question. Twenty crystals make this heart lock a sparkling promise.

For her who chose, and is glad she did

IHSMC106

HEART LOCK CHARM MEANING

Green Stone Heart Lock

Green is read as growth before anything else – the thing that survived the winter. Crowning a heart-shaped lock, this domed green stone turns the meaning from a heart shut away to one kept alive on purpose.

For her who is tending something

IHSMC107

PADLOCK CHARM MEANING

Green Stone Padlock

Setting a stone at the centre of a lock shows the treasure rather than hiding it, as reliquaries and Victorian clasps did. This faceted green stone softens the gesture – a symbol of something precious kept safe.

For her who keeps one thing close

HEART CHARM MEANING

Open Heart Eye · Red

Red is the older Mediterranean and South Asian choice for the evil eye, tied to active defence rather than calm deflection. Held inside an open gold heart, this red-irised eye is a symbol of love that stands guard.

For her who would rather warn than deflect

IHSMC079

HEART CHARM MEANING

Open Heart Eye · Pink

The nazar has been recoloured for thousands of years to suit local glass and enamel, which is why it endures. This pink-irised eye in an open heart keeps the old protective meaning in a soft, modern shade.

For her who loves the old in new colours

IHSMC068

STAR CHARM MEANING

Four-Point Star · Gold

An oval crystal in a scrolled gold surround, with a small stone at each point. The four-point star, like the compass rose, has long meant orientation and brightness: knowing your direction and shining as you go.

For someone who knows her direction

15.2×17.7mm
IHSMC086

GEM CHARM MEANING

Pebbled Green Gem Disc

Gold stays bright because it does not corrode, and green has long been paired with it to suggest new growth against something unchanging. A pebbled gold disc closing on one green stone holds both ideas.

For her who likes weight in a small thing

[Shop this charm →](#)

21.3×18mm
